Dear Vickie and Jimmy,

This is a cold and very wet
Labor Day week end and Mike
loves it as the heat in Wash. D.C.
is terrible & look at the London
weather report every day and it
actually was up in the 70's one
day last week.

Dad is watching the Texas match
and he asked me to tell you how
much he enjoys your wonderful
letters Vickie even both thought
your letter was great and thanks
to both of you.

Mike will be going back to -
Morrow (the 2nd) so the next day
Dad and I are going to Lake Chelan
and other places for two or three
days. I haven't heard if Mike & Joe
plan to come for the week end,
so I will have to get back home
and do a few things around here.
I have spent the last two days read-
ing a book - "Captains and the Kings" by
Taylor Caldwell.

My cousin Norma was over
last week and we looked at the

pictures and post cards. She was able to fill me in on some of the names on the photos.

We use our wok every night for stir-frying vegetables and rice, but will branch out soon and try some of the recipes in the cook-book.

Bensons were over Sat. night for a Chinese dinner, but I worried about doing the preserve so had a roast instead, plus rice and the stir-fry vegetables and chocolate pie with the ready made frozen pie crust. I have learned a lot of good ideas from you kids.

Ruthie was 40 years old Aug. 30th and the baby is due in two weeks.

The man at the post office said the letters I mailed to you at first without enough postage would be tossed out there because they don't deliver them with postage due.

Mary's girl friend Marty and her 54 year old boyfriend were there for four days, but Mike said everything went along O.K. I hope so.

More later.

Love,

Mom.

P.S. Are there any soap operas on the television there?

Mary received her letter from you in 3 days.
